The *ultimate* summer experience for children with special needs!

Last summer was a blast...

Welcome back to another exciting summer at Camp Yaldei, located in the scenic Laurentian Mountains!

At Camp Yaldei, children with developmental disabilities can learn, play and thrive. Our staff works diligently to ensure that the summer is full of fun and laughter.

Throughout the summer campers learn and develop social, emotional, and physical skills that are integral for growth and development.

With a 1:1 camper to counselor ratio as well as the support of specialty staff, educators and therapists, you can rest assured that your child will be in good hands!
