About Us

École Yaldei offers a specialized educational program targeting students aged 4-13 with developmental delays and moderate, severe and profound intellectual impairment. Our mission is to promote autonomy and development, and to enable each child to reach his or her potential. Our innovative programs, our caring staff, our partnership with the Donald Berman Yaldei Developmental Center, parents and the community, enable every student to grow socially, cognitively, physically and emotionally in a safe and caring environment.

We are thankful for your interest in the position at the Yaldei Developmental Center, and regret that we cannot personally connect with every applicant. We assure you that your resume will be reviewed and considered for appropriate opportunities available now or in the future.
